September 2021 – Present

icddr,b is a leading international health research institute funded by USAID, Bill & Melinda Gates Foundation, GFATM, GAC, and the governments of Bangladesh, Canada, and the UK.

Portfolio & Tendering

- Manage an annual procurement portfolio of ~USD 2 million across medical, laboratory, IT, and general categories with full compliance and audit readiness across all 7 donor frameworks.
- Execute ~200 competitive tenders per year strictly adhering to USAID, GFATM, Gates Foundation, GAC, UK, Canada, and the Government of Bangladesh procurement regulations.

- Oversee 80+ active vendors — managing onboarding, performance evaluation, SLA adherence, and long-term framework agreements.

IT Procurement

- AI-based X-Ray Machine with TB Detection Software (USD 500K), DR Infrastructure (USD 350K — saving USD 50K through competitive bidding), Enterprise Core Network Switches (USD 112K saving USD 60K through strategic negotiation), Exchange Online Protection (USD 35K), Antivirus Solution (USD 50K — saving USD 50K vs. initial vendor quote) — led full procurement lifecycle for each.
- Delivered over USD 160,000 in total cost savings across IT infrastructure contracts through structured competitive tendering, multi-vendor evaluation, and commercial negotiation.
- Manage AMC, warranty renewals, VAPT services, server and storage procurement, diagnostic services, and IT accessories LTA procurement following PPR guidelines.
- Source and establish SLA-based IT service contracts for critical enterprise systems.

Digital Transformation – D365 SCM SPOC

- Served as SCM Subject Matter Expert (SPOC) for the Microsoft Dynamics 365 implementation; led UAT across PR, PO, Vendor Portal, and the full online tendering lifecycle.
- Operationalized online tendering via the vendor portal, improving supplier competition, transparency, and procurement cycle efficiency.

Award: Procurement Officer of the Year – 2021 & 2025 | Awarded for exceptional performance, multi-donor compliance, and procurement innovation.

Assistant Officer – Contract Management (GS4) | icddr,b, Dhaka *March 2018 – August 2021*

Contract Portfolio Management

- Managed 150+ active contracts across all procurement categories; sourced and established ~25 new contracts per year covering goods, services, and institutional agreements.
- Established and managed Food Material Supply contracts for Dhaka Centre (annual value USD 400,000), overseeing vendor selection, tendering, and contract administration.
- Managed General Insurance framework covering icddr,b assets valued at USD 70 million and coordinated Marine Insurance for international shipments.
- Negotiated and administered annual Staff Bus Hiring Agreement (USD 450,000/year), ensuring service continuity and value for money.

Framework Agreements & Specialist Sourcing

- Established annual stock replenishment agreements for stationery, civil items, and hospital consumables — maintaining uninterrupted supply across all icddr,b centers.
- Managed Hospital Service contracts for staff welfare and operational continuity.
- Procured vaccines ensuring cold chain compliance and uninterrupted supply to clinical and research programs.
- Led emergency PPE sourcing (gloves, masks, protective equipment) during the COVID-19 pandemic under emergency compliance conditions while maintaining institutional and donor guidelines.

Admin Officer – Business Development | Cocola Food Products Ltd. *August 2015 – February 2018*

- Managed dealer network relationships and coordinated operational processes across regional distribution channels.
- Monitored sales transactions and prepared performance reports for senior management.
